

# **Welcevie fo** TEAM BOMBSHELL BEAUTIES!

### Kello Beantiful,

In 2016, I signed up for SeneGence to receive a discount on the incredible products (I tried LipSense and, naturally, was hooked!). Fast forward about three years, my passion for sharing our products is greater than ever!

When I realized the magic of our products PLUS the incredible opportunity, I decided to work the business and see where I could take it! I now have an incredible team of over 150 women whom I adore working with, a car paid for by SeneGence, earned vacations, and an entirely new attitude about being a network marketing business owner.

I am so excited for you, because what you have in front of you is an opportunity. And, like me, you probably can't even imagine what starting a successful SeneGence business could do for you!

By simply loving the products, sharing them and sharing the opportunity to join our incredible community of lady bosses, you are able to make a significant income, earn amazing perks and have a ton of fun doing it. What will you do with this opportunity?

My best piece of advice is to DIVE IN. Commit to actually giving yourself a *chance* to learn new skills, push yourself and pursue a goal that you have. There is so much to gain from committing to the process of becoming a business owner; confidence, business skills, financial benefits and so much more.

This packet was designed to help you get started. Check out each page and the various worksheets for simple ways to get going.

Welcome to the team, doll! Remember that you are in business for yourself, but never by yourself! Feel free to contact me with questions!

### START TO SHARE!

### OK...TIME TO TALK TO THE PEOPLE YOU KNOW ABOUT YOUR NEW BIZ!

Now that you've got at least 100 people to share with, II suggest setting aside 10-15 minutes to Contact 10 a day from the list.

DON'T WAIT! No matter what anyone says, the fastest way to start making \$ and growing your business is to talk to the people that you already know.

*I KNOW!* For some reason, when we get started, fear sets in and sharing with the people in our life makes us nervous! I'm here to tell you, THIS PASSES and *I Promise* a "no thank you" never hurt anyone!

**DON'T STRESS**: Your goal isn't to sign them up or even necessarily "sell" to them, your goal is you **have them understand what you're up to** and to see your excitement about it! Just like if you were going to open a boutique, start doing hair, start a brick and mortar business, you'd let everyone know, right!? Otherwise how could they shop with you or use your service? **Same thing here!** 

If they see value in what you're doing, great. If not, no big deal. You did your job and you should feel proud!

You'd be surprised how many people will come back to you later if they don't seem interested right away.... But they won't have the opportunity to come back if they're never exposed TO WHAT YOU OFFER, right?

Soooo... just share your excitement with them and let's get it over with!;)

#### HOW SHOULD I CONTACT THEM?

I recommend sticking with the contact method you most commonly use with them.

Think about it like this...if it is a friend you talk to almost every day on the phone, it may seem odd that you're messaging them on Facebook. Or for someone you *only* message on Facebook, it may seem odd you're calling them for the first time. Keep your relationship with that person in mind and go with the communication method you usually use with them!

### BUT WHAT DO I SAY?!

KEEP. IT. SIMPLE. YOU DO NOT NEED TO SHARE EVERY ASPECT OF THIS BUSINESS. REMEMBER, AT THIS POINT YOU'RE SIMPLY **SHARING** YOUR EXCITEMENT AND WHAT IT IS YOU'RE DOING. **BIG TIP: SHARING YOUR EXCITEMENT WITH THEM PERSONALLY IS THE WAY TO GO! TRY THINGS LIKE THIS BUT CUSTOMIZE TO YOUR PERSONALITY:** 

Hey (NAME)! Okay, I HAD to contact you because I am so excited and I think you'll be excited for me too! I can't believe it, but I started my OWN business! I went crazy for this incredible cosmetic and skincare line, SO much so that I want to share it with everyone. Anyway...I think you'll really like the products and in case you know someone else who might, i'd love to give you more info. Could I drop off a catalog this afternoon?

(NAME)! Since you're my (RELATIONSHIP) and someone I know who believes in me, I wanted you to be one of the first to know that I have started my own business! I'm really excited to see where I can take it! I'm crazy about the cutting edge beauty products I'll be sharing and I'd love to see what you think about them. Are you free to try them out on (DAY) at (TIME)?

Hey (NAME)! Okay, I HAD to contact you because you are one of the first people that came to mind when I started my new business! I am SO excited and am going for it! The reason I thought of you is because (CUSTOM...i.e. you're a beauty guru, you're a great business person, i know you love good products). May I send you a catalog so I can see what you think?

TIP: YOU CAN GET A LINK TO A DIGITAL BEAUTY BOOK IN THE SENEBIZ APP OR HOME PAGE OF SENEGENCE.COM FOR THOSE WHO ARE NOT LOCAL TO YOU.

Trust Me, you've got this sister!

### CREATE YOUR BUSINESS SCHEDULE

Don't let being "BUSY" hold you back from reaching your goals! This worksheet will help you find time and also provides tips for profit-producing activities you can do with the time you've got!

# GET \$330 WORTH OF FREE PRODUCT!

WOULD YOU LIKE \$330 IN FREE PRODUCT? OF COURSE YOU DO! Step #1 - Sell 6 Lipsense Collections

### TIPS FOR DOING THIS:

- 1. Go Live on your personal page and other social media sites to share how amazing LipSense is!
- 2.Wear the product on your lips and hand and show everyone!
- 3. Share in-stock colors and not limited editions so they're not gone by the time you order!
- 4. Text a video to your phone contacts (family, friends, etc.) and let them know you're ordering if they need to have this stuff like you do!
- 5. Don't stress about asking money before giving product. People do this EVERY time they order *anything* online.
- 6. Be open about letting them know when you're ordering and that you'll let them know as soon as it's in!
- 7. Don't have any LipSense to demo? Ask me or a SeneSister for a "wow" video you can save and share!
- 8. Invoice the customer for their product PLUS the sales tax for your state.

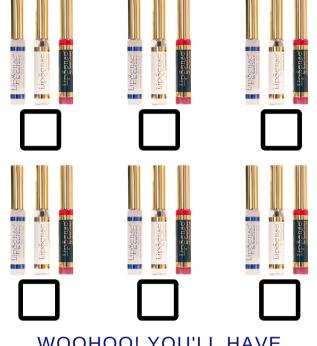

### step #2 - Order

### GO TO QUICK ORDER IN YOUR BACK OFFICE

- 1. Add the 6 collections your customers ordered to the cart.
- 2. Add \$330 retail worth of product (or 165pv) to the cart.
